Different Perspective

Dirt on dirt,
Layer on layer,
Emotion on emotion,
Walls are hidden.

It’s only temporary,
I tell myself,
It’s only temporary,
A fading art.

Always changing,
Destroyed easily,
Impossible to keep,
It’s sadly temporary.

Built over a long period of time,
Disappears in seconds,
Comes crashing down,
Never the same.

Built with,
Dirt,
Water,
And time.

Destroyed with one thing,
Water, that’s it!
Just...
Water.

Nothing is forever,
Everything is temporary.
That’s what this symbolizes,
Everything’s only temporary.
